

SUPERVISED VISITATION at the

POLICIES

Visitations take place in an environment where a child's health, safety, and well-being are the top priority. The visit supervisor is an impartial observer who may terminate the visit if any guidelines are violated or if any other behavior occurs that is deemed inappropriate.

Confidentiality/Notes

- I understand that staff will be present and documenting all observations made during visits. This includes any conversation with either parent directly before, during, or after a visit.
- These observation records shall be presented to the Guardian Ad Litem/Court Social Worker at no cost.
- Copies of observation records shall be provided to either parent's attorney upon request. There will be a cost of 25¢ per page for notes which must be paid in person when picking up the notes. The Hope Council needs at least one week to prepare notes.
- Observation records will not be provided directly to parents. Parents acting as their own attorneys need to subpoena the case notes. There will be a cost of 25¢ per page for notes.

Visit Rules

- I will interact in a positive and supportive manner with my child(ren). Any communication or behavior that is emotionally or physically threatening to my child(ren) will not be allowed.
- I understand my child(ren)'s behavior at visits is my responsibility. I will set limits and discipline appropriately. Physical discipline of any type (spanking, hitting, threatening, or any other type of corporal punishment) is not allowed.
- There will be no physical activities (such as wrestling or horseplay) that could result in an unintended injury. There will be no tickling or holding, unless freely initiated by my child(ren). There will be limited hugging and kissing unless freely initiated by my child(ren).
- I will remain in the presence of the supervisor when I am with the child(ren) and will not remove the child(ren) from the premises. There will be no outside visits unless expressly permitted by the supervisor.
- I will not use non-prescription drugs, alcohol, or anything that impairs my judgment before and during my visit with my child(ren).
- I will not dispense non-prescription medication to my child(ren). I will only dispense prescription medication to my child(ren) per doctors' orders as received by the custodial parent.
- Video and audio recording devices are not permitted at visits.
- I will turn my cell phone completely off before visits.
- I will not bring any weapons or anything that could be used as a weapon onto the premises nor will I bring any toy weapons onto the premises.
- I understand that I am expected to have the room cleaned up and to end the visit on time.
- Children who are potty trained will use the restroom privately. If a child is in diapers or pull-ups, a visit supervisor will remain in the restroom with the visiting parent during changes.
- I will not bring pets to the visits.

Conversations

- Conversations should be natural and directed by my child(ren)'s interests.
- I will not discuss adult issues such as court proceedings or visitation restrictions with my child(ren). I will not make promises about unsupervised visits or future living arrangements. Any statements like "we'll go fishing this summer" or "you'll live with me soon" will not be tolerated.
- I will not speak of nor question my child(ren) about his/her/their custodial parent.
- I will not whisper to my child(ren) nor pass notes or letters.

Cancellations

- If I need to cancel my visit, I will do so no fewer than 24 hours in advance. I will call my Supervised Visitation Worker's cell phone and leave a message. If I cancel less than 24 hours before a scheduled visit or if I fail to show up, I will be responsible for the payment, regardless of who typically pays for visits.
- I understand that consistent attendance is important to my child(ren). I further understand that my visits will be terminated if I miss three consecutive visits (without a documented excuse) or I establish a pattern of missed visits.
- I understand if either parent is more than ten minutes late, the visit will be canceled.

Payment

- I understand that there is a one-time \$50 administrative fee that must be paid before any paperwork or processes are started.
 - There is a \$20 hourly fee for supervised visitation that occurs for 18 months or fewer.
 - After 18 months of service, hourly fees are increased to \$50 per hour.
 - After 24 months of service, hourly fees are increased to \$75 per hour.
 - For therapeutic/supportive visitation, there is a \$30 hourly fee.
 - Fees for monitored visitation are based on the times of the visits and are \$10 per visit or \$20 per hour.
- Payment responsibility is typically assigned by the court. Other referring agencies shall determine who will be responsible for payment, in writing. If the referring party does not indicate the financially responsible party, the non-custodial parent shall be held responsible for payment.
- I understand that once visits begin, each of the first five visits will be reduced by \$5 so that the final administrative fee paid is actually only \$25. However, if visits are not established or fewer than five visits occur, no other portion of the administrative fee will be returned. Also, only \$5 from each of the first five visits will be discounted. There is no possibility of lesser payments for visits occurring in lieu of reducing the administrative fee.
- I understand that cancelled visits need to be paid for if they are not cancelled 24 hours or more in advance; the person responsible for the late cancellation will be responsible for full payment, regardless of who typically pays for visits.
- All payments will be made in cash or by credit card only prior to or at the start of each visit or the visit will not take place. I also understand that if I am paying by cash, I must have exact payment or any excess amount will result in a credit for the next visit.
- Credit cards payments may be made by phone during office hours only and must be made at least one hour prior to visits.

Prior Approval

- I understand requests to bring anyone else to the visit or on the premises must be made ahead of time to the visit supervisor.

Restraining Orders/Other Concerns

- The visiting parent will arrive 10 minutes early while the child(ren) will be brought at the start of the visit. The visiting parent will wait up to 10 minutes after the visit or until staff says he/she can leave.
- I understand the supervisor will also separate arrivals/departures if it is believed to be in the best interest of the child.

I have read and agree to the above expectations and requirements. I further understand that violating any provisions of this agreement may lead to the termination of my visits.
