SUPERVISED VISITATION at the

OFFERING HOPE | HELPING TO HEAL

Prior to beginning any paperwork or starting any processes for Supervised Visitation at the Hope Council, a \$50 administrative fee must be paid. In the absence of a court order to the contrary, the Hope Council determines that the party responsible for all payments is the non-custodial parent.

That means that prior to the Hope Council beginning paperwork for Supervised Visitation, the \$50 administrative fee must be paid in full.

Paperwork must be completed and returned to the Hope Council by both parties. Once the \$50 administrative fee is paid, and paperwork is received from both parties, the Supervised Visitation Coordinator will move forward with scheduling visitations.
