

Loved Ones Group

We're here for you.

Are you concerned about a loved one's alcohol or other substance use?

- Are you looking to connect with and learn from others with a shared experience?
- Do you feel alone, ashamed, or fearful — or angry with the person you love?
- Are you interested in learning about approaches to help someone with a substance use disorder?
- Do you feel hopeless that your loved one will never get help, or unsure about the nature of substance use disorders?

If you answered yes to any of these, Loved Ones Group may be right for you.

WHEN

Thursdays
5:30 – 6:45 PM

WHERE

Hope Council office
6103 – 39th Ave., Kenosha

SUPPORT & GUIDANCE

Loved Ones Group will help you learn to identify substance use disorders and how they progress, how your loved one decides to get help, and what the recovery process looks like.

The group is **free and confidential**, with no enrollment or personal information required.

Scan to learn more

Free Narcan & fentanyl test strips are available at the Hope Council.
